

Restore, Rekindle, Renew Enrichment – Session VI

MISSION POSSIBLE: PDA

PRAY – STEP 6: Each person prays a short prayer of praise to God for their marriage and family.

Husband Reads Aloud:

“Love is patient, love is kind; love is not envious or boastful or arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice in wrongdoings, but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things. Love never ends.”

1 Corinthians 13:4–8 (NRSV)

Wife Prays Aloud:

Father, we come to you and we thank you for being so loving and merciful to us. We thank you for making marriage a covenant, and we thank you for the gift of the extended dialogue that we just experienced. Thank you for giving us that time to write and share deeply with one another and the time to focus on just one another. We give you glory and praise for all the gifts you have given us through this Marriage enrichment experience so far. Help prepare us for our remaining time together, and thank you for the sessions that we have experienced that have brought us closer together in our relationship. And Father, continue to help us to remain strong in our daily dialogue. We thank you in Jesus' name, Amen

DIALOGUE – more choices . . .

How have I seen God work through our covenant? HDIFAMA? How are we a little church? HDIFSTWY?

Reflecting on our Restore, Rekindle, Renew Enrichment – the discovery of self, spouse, relationship, and covenant, the ups and downs, the growing joy, trust, and renewed love – What is my strongest feeling?

What dreams do I have for our future together? HDIFSTWY?

ACT – Celebrate your covenant by romancing your partner inside the bedroom: lock the door, light candles, set up your favorite romantic atmosphere, and take time to let things build longer than normal. Let your partner know what you like and enjoy exploring and pleasing him/her. Let your love flow freely!

Your mission, should you choose to accept it,
is to develop Couple **P**rayer if you haven't already,
share your feelings with each other through daily **D**ialogue,
and to put romance into **A**ction.
