

## Restore, Rekindle, Renew Enrichment – Session IV

### MISSION POSSIBLE: PDA

**PRAY** – STEP 4: Each person prays aloud briefly, side-by-side, asking God for specific help needed by friends and/or family. And then,

Husband Reads Aloud:

“Therefore a man leaves his father and mother and clings to his wife, and they become one flesh.”  
Genesis 2:24 (RVSV)

And then,

Wife Prays Aloud:

Father we come to you and we thank you for your love for us. We ask you, Father, to be with us and help us to develop an attitude of acceptance towards one another and also, Father, to be able to communicate with one another in sensitive areas. We know, God, that you are revealed through the love that we share as a couple; help us to live in a way that shines your light out to a hurting world. Help us, oh Lord, to consciously choose your desire for our relationship rather than the world's way. We know that your ways are truth and light; give us the grace to walk in your love. In Jesus' name we pray, Amen.

### **DIALOGUE** – more choices . . .

What is the hardest area in our relationship for me to discuss with you? HDIF when we dialogue in this area?

What can I do to be more responsible in our relationship? HDIFSTWY?

What is it like for me to seek or grant forgiveness? HDIFAMA?

We've been to four sessions of the Restore, Rekindle, Renew Enrichment;  
how has our relationship been enriched so far? HDIFAMA?

**ACT** – Make your spouse's favorite meal. Take care to set the table and light a candle or two. When finished, feed each other dessert. Do the dishes together as husband and wife.

**Your mission**, should you choose to accept it, is to:

develop Couple **P**ayer if you haven't already,

share your feelings with each other

through daily **D**ialogue,

and to put romance into **A**ction.
