

THRIVENT CHOICE DOLLARS

You can now choose Lutheran Marriage Encounter (Call to be Family) when 'choice dollars' are available for your designation. This is a special benefit to all those who have investments or policies with Thrivent Financial for Lutherans. Just go to Thrivent.com/thriventchoice or call 1-800-847-4836 and say "Thrivent Choice." When you designate the 'choice dollars' that become eligible to you, the actual funds come from Thrivent. It only cost you your time. This is another excellent way to regularly help further the ministry of L.M.E. Many thanks for considering this.
