

**DEEPER REPORT**

**NAR Virtual Meeting**

**January 27, 2018.**

There is still no Lutheran Deeper scheduled at this time. The only registration we have is a couple from District III who were encountered in February 2016. They have written all their first set presentations and are presenting weekends.

Are there other couples out there of whom we are unaware???

In Christ's Service,

Dave & Elsa Larson

Deeper Coordinators
