**Past M.E. experiences held since last report with number of couples completed:**

MN held three virtual weekends: February encountered 11 couples, April encountered 5 couples, October encountered 4.

We had a wonderful retreat in August in Windom, MN for the MN and NE areas, to answer the question of “why were/are we called to ME,” and to just be together and laugh and feel where the Spirit is leading.

**Future M.E. experiences planned for 2022:**

MN plans a virtual weekend Feb 18-20, 2022. They have more planned, dates TBD.

NE is hopeful to have an in-person w/e in August (or May!)

Stay tuned for IL/MO events!

**In what way would you like support?**

Help in formulating and getting the Virtual Team up and going. Also the other teams, like community, experience, and marketing; how do we get those going? Are there people from each district that seem fired up to take it on? Or how do we implement this?

**Anything else you would like to share with the NAR Board:**

We have a new couple who are wanting to write (exciting!), and their desire is to present on a Virtual team. Do we add them to anyone’s roster?
