

DEEPER REPORT

Niagara University, New York

July 12-14, 2017

Since the end of 2013, we have had four Lutheran couples attend a Deeper weekend. They were encountered in August of 2016 (along with one Methodist couple). Today, we have only one couple registered for a Deeper weekend. They are from District III, have written all their First set presentations and presented their first weekend in April. We are aware of only one other couple writing (District IV) and they attended a Deeper several years ago. There have been no inquiries from other Protestants about the “next Deeper”. Obviously, there is not another Deeper scheduled in the foreseeable future.

We wish we had better news. We pray for the Holy Spirit to move future couples to say yes to this ministry.

In Christ’s Service,

Dave & Elsa Larson

Deeper Coordinators
