

NARPCC Report
June 2017

Hello to all! We trust that each district has turned their Presenting Couple rosters in and express our thanks for that. Overall, it appears our presenting couple strength remains stable. We are aware there is a few presenters who have yet to complete their CPO writing. If there is something we can do to assist, please let us know.

Otherwise we have been looking at some of the long-term materials that are in existence and are in need of updating. At present, we are taking an in depth look at the Weekend responsibilities lists and analyzing how much of it remains current. We are aware that not all areas/districts do things the same way. It is our goal to have a draft available by the NAR meeting for input by the Board.

Wishing all of you a pleasant and happy Summer.
