

2019 NAR Miscellaneous Consensus Items

Newly Elected (June, 2019) NAR Lay & Clergy Executives Funding for June, 2019 ILME Meeting

April 12, 2019 - Consensus was reached via email polling to allow the expenditures of funds necessary for the newly elected (June, 2019) NAR Lay and Clergy Executives to attend the ILME Meeting on June 23-24, 2019 in St. Louis, MO. This will allow the newly elected executives to meet in-person with the ILME Board members as they begin their term and not wait the 14+ months until the next in-person meeting (which is not likely to take place until the ILME Family Reunion in Norway in August, 2020).

Approval to allow District II Lay Exec Couple to continue an additional year.

May 17, 2019 – Consensus was reached via email polling to allow Chris and Cheryl Bates, the current District II Lay Contact Exec Couple, to continue one more year. This is due to the fact that when elected they were still writing admin talks and not qualified to serve. The plan was to have a year of mentoring with the previous Exec couple, Roger & Chris Williams, and the mentoring did not happen for various reasons. Because of this, they have only served two years of their three year term. Election of new Lay Contact Exec Couple will be delayed until June 2020.
