[Date]

Greetings from Marriage Encounter!

We are pleased to have you scheduled for the [Virtual?] Marriage Encounter experience on [Dates].

Your experience will be held at the [Venue Name & Address]. It is located at [Venue Directions]. We have already made reservations for you. Please plan to arrive by [time] on [Day & Date], as we begin promptly at 8 pm and we need all participants present before we begin, so please call us if you will be delayed for any reason.

Please plan to eat your evening meal before you arrive on Friday. All other meals through Sunday lunch are provided and include all participants. Coffee and water are available in the conference room, but you may want to bring your own snacks and beverages to enjoy in your room. Dress is casual for the weekend. A refrigerator and microwave is provided in your room.

Because this experience is designed for just the two of you, we want you to be free from the normal cares and distractions of home and work. Please let your family and/or babysitters know that you will not be calling them until the evening to check in. You will be encouraged to turn off your cell phones or set them to vibrate during the day in order to avoid distractions and receive the greatest benefit from the program.

A Marriage Encounter experience is a building experience. The program is structured to continually add communication tools you can use to make your relationship the best it can be. Consequently, as a couple, you need to experience the entire program in order to gain the greatest benefit. The experience concludes about 4:00 pm on Sunday. We end the experience with a worship service that many couples find to be one of the most memorable experiences of their marriage!

All meals and housing are included in the experience. At the end of the experience you will be asked to support the future of Lutheran Marriage Encounter by making a confidential donation. We appreciate any financial effort you can make to help Marriage Encounter continue. If you and your spouse choose to donate, you may make your contribution by using cash, check, credit card (Visa, Discover, and Master Card), Thrivent Simply Giving, or even postdated checks.

If you should need to cancel, please contact us – your Registration Couple – immediately so we don't become concerned about you. Your team of presenting couples is looking forward to meeting you on [Date]!

Please contact us if you have any questions concerning your experience and also let us know that you received this email.

Thanks!
